

## According to 1907/2006/EC, Article 31, Latest Amendment

Version number: 5.0 (replaces version: 4.0)
Revision: 18.04.2023
Printing date: 02.05.2023

	ION 01: Identification of the substance/mixture and of the company/undertaking
	Product identifier Trade name:
•	IMMORTELLE ABSOLUE
٠	CAS Number:
	8023-95-8
•	EC number:
	289-918-2
2.	Relevant identified uses of the substance or mixture and uses advised against
٠	Application of the substance / the preparation
	Aromatic ingredient(s). Industrial use only. Uses advised against
•	not applicable
_	
	Details of the supplier of the safety data sheet Manufacturer/Supplier:
•	ROBERTET 37 avenue Sidi-Brahim
	BP 52100 F-06131 GRASSE CEDEX

## SECTION 04: First aid measures

- 1. Description of first aid measures
- General information: Seek immediate medical advice.
- After inhalation:
- Supply fresh air; consult doctor in case of complaints. • After skin contact:
- Immediately wash with water and soap and rinse thoroughly. • After eye contact:
- Rinse opened eye for several minutes under running water. • After swallowing:
- If symptoms persist consult doctor.

F

- 2. Most important symptoms and effects, both acute and delayed No further relevant information available.
- 3. Indication of any immediate medical attention and special treatment needed No further relevant information available.

# SAFETY DATA SHEET According to 1907/2006/EC, Article 31, Latest Amendment

Version number: 5.0 (replaces version: 4.0) Revision: 18.04.2023

Revision: 18.04.2023 Printing date: 02.05.2023

		(continued of page 4)
Particle characteristics	Not determined.	
Other information	No further relevant information available.	
Surface tension:	Not determined.	
Explosive properties:	Not determined.	
Information with regard to physical hazard	classes	
Explosives	not applicable	
Flammable gases	not applicable	
Aerosols	not applicable	
Oxidising gases	not applicable	
Gases under pressure	not applicable	
Flammable liquids	not applicable	
Flammable solids	not applicable	
Self-reactive substances and mixtures	not applicable	
Pyrophoric liquids	not applicable	
Pyrophoric solids	not applicable	
Self-heating substances and mixtures	not applicable	
Substances and mixtures, which emit flammable gases in contact with water	not applicable	
Oxidising liquids	not applicable	
Oxidising solids	not applicable	
Organic peroxides	not applicable	
Corrosive to metals	not applicable	
Desensitised explosives	not applicable	
Other safety characteristics	Not determined.	
Evaporation rate	Not determined.	

#### SECTION 10: Stability and reactivity

- 1. Reactivity No further relevant information available.
- Chemical stability Good stability at conditions of use mentionned in point 7 and 10
- 3. Possibility of hazardous reactions Reacts with strong oxidising agents.
- Conditions to avoid Avoid temperatures near the flash point (see Section 9). Avoid contact with oxidizing agents.
- 5. Incompatible materials: No further relevant information available.
- 6. Hazardous decomposition products: No dangerous decomposition products known.

#### SECTION 11: Toxicological information

- Information on hazard classes as defined in Regulation (EC) No 1272/2008
   Acute toxicity
- Based on available data, the classification criteria are not met.
- Skin corrosion / irritation Based on available data, the classification criteria are not met.
- Serious eye damage / irritation Based on available data, the classification criteria are not met.
